

Bible Memory Verse Craft for Toddlers

Love one another. ~John 15:17

Print the heart on card stock or tag board. Print the Bible verse pieces on regular printer or copier paper. Cut out the heart and the Bible verses. Have the child glue the Bible verse on the heart.

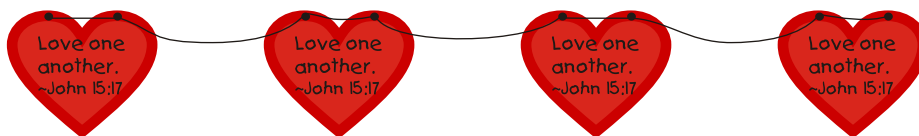

To make a double-sided heart, print two copies of each page and glue the hearts together.

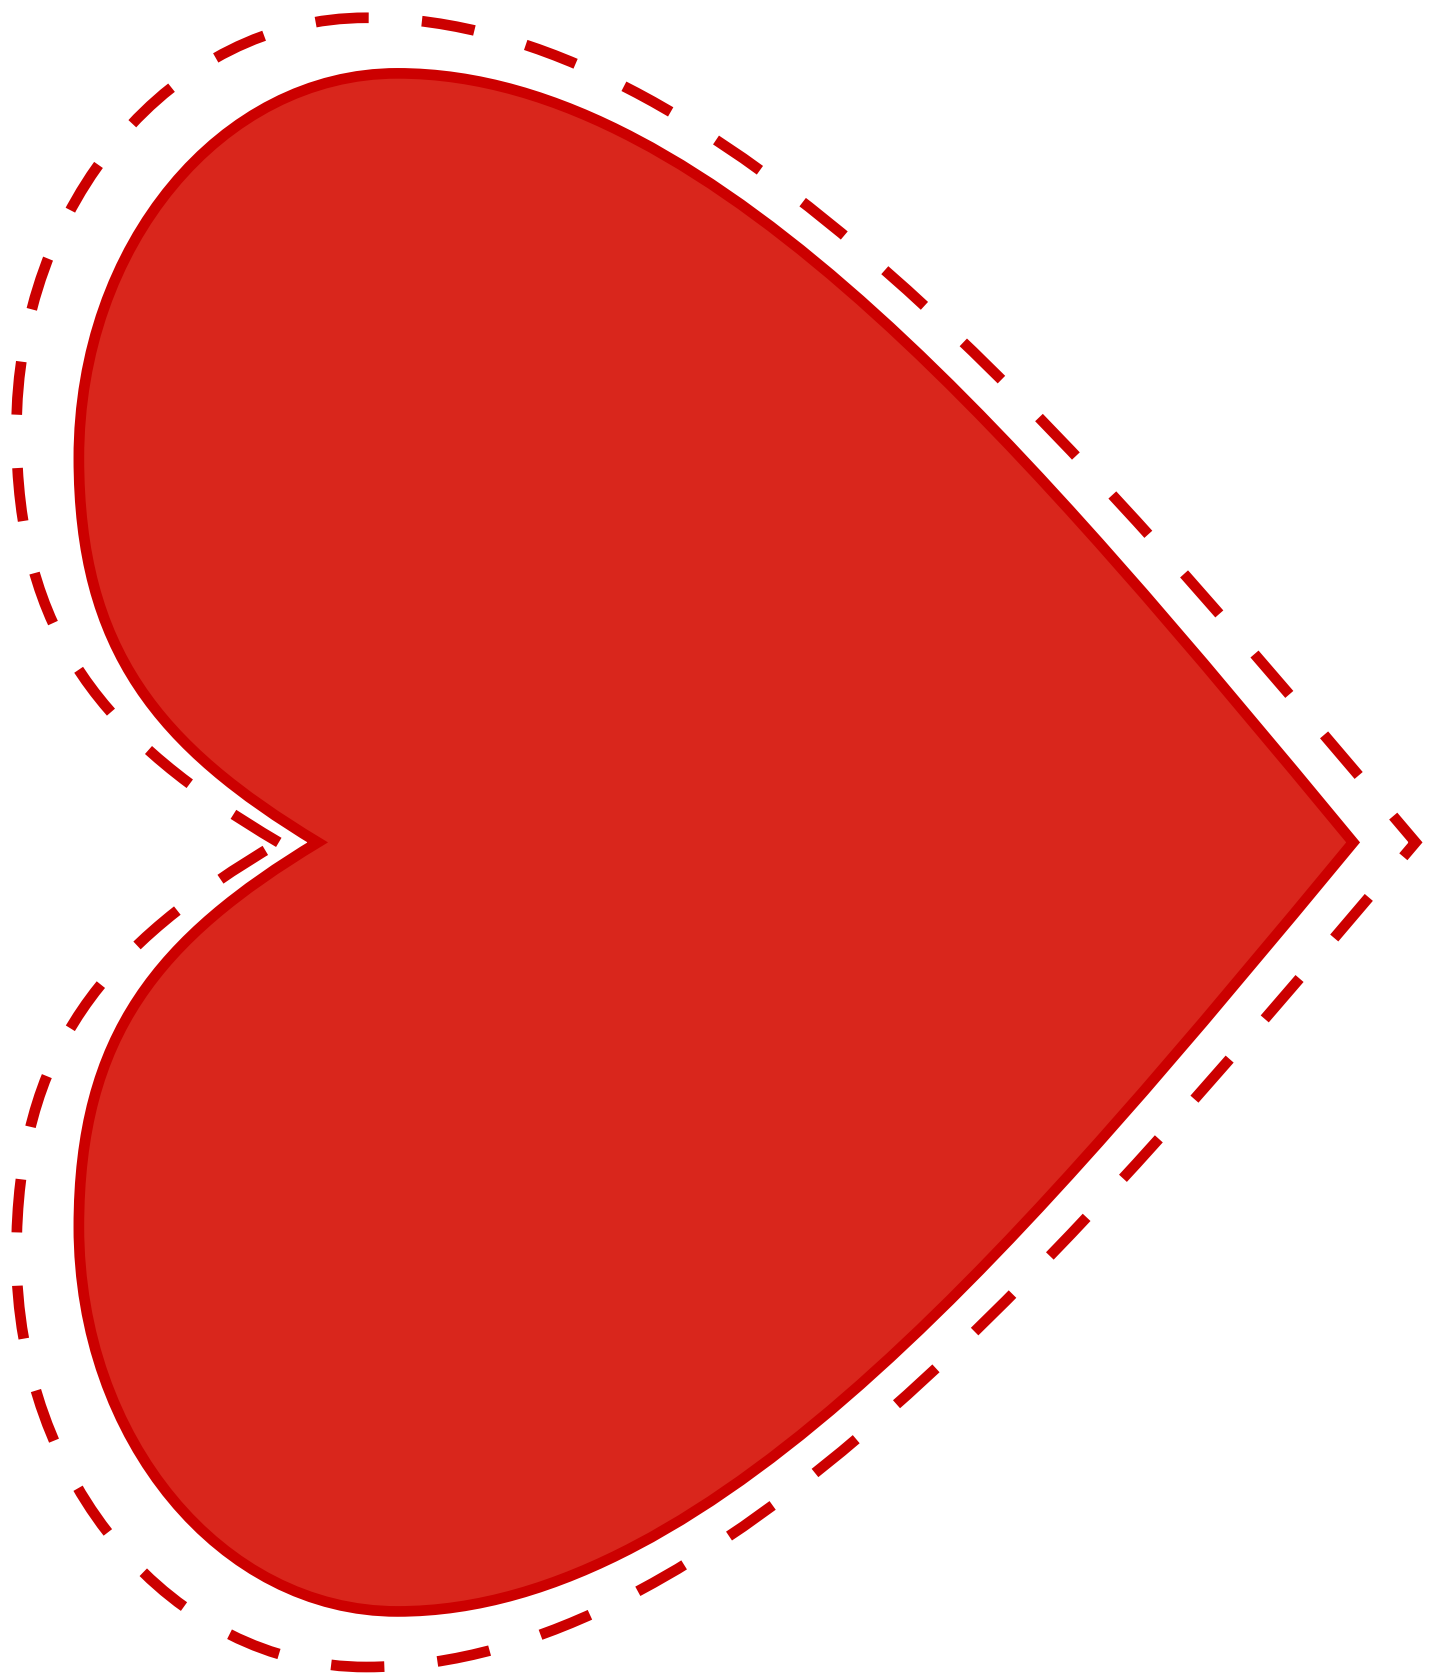

Suggested uses:

Print two copies of the craft pieces to make a double-sided heart and glue a craft stick between each heart to make a fan.

Punch a hole on each side of the heart and make a necklace for the child or a streamer for decorations.

Love

one

another.

~John 15:17
